  - without treatment 60% die
  - death in 8 days
- There is no recurrence of the same kind of infection
- Wrong treatments kill the zombie

Name	Diagnostic	Symptoms			Blood Analysis	History
Rot Donnadd	bacterial infection	paralysis	yellow tong			
Pid Mught	bacterial infection	yellow tong			Cyanobacterium zumbi	
Thulk Lebbimp	bite deficit	yellow tong	trembling on the little finger			bacterial infection
Bouvossam Damme	bite deficit	member loss	yellow tong	trembling on the little finger		
Pirg Zall	viral infection	chest pain	member loss (right hand)		Deltaretrovirus zumbi	
Nullon Rackindock	figths	member loss	severe anger			
Shor Splitturch	nothing	severe anger				
Ger Ackeng	bite deficit	trembling on the little finger				
Geldo Shruck	bacterial infection	yellow tong	chest pain		Cyanobacterium zumbi	
Nadross Pilch	viral infection	chest pain			Deltaretrovirus zumbi	
Sadrent Pemmir	bite deficit	member loss	yellow tong			bacterial infection
Read Rait	bacterial infection	paralysis	yellow tong			
Dallun Whadder	viral infection	chest pain				bacterial infection
Eapplar Thorg	figths	member loss				
Blottork Patter	bite deficit	yellow tong	trembling on the little finger			bacterial infection
Darrutt Bottall	bite deficit	member loss	yellow tong	trembling ...		
Gallir Shauch	figths	chest pain				
Dirpe Polnay	bacterial infection	yellow tong				
Harrimp Fottiem	bite deficit	trembling ...				

# Zombie Health - Part 2

## Symptoms

- Bacterial Infection - *Cyanobacterium zumbi*
  - yellow tongue - since the 1st day (100% cases)
  - paralysis - from the 2nd day (100% cases)
  - chest pain - from the 5th day (10% cases)
- Bite deficit
  - yellow tongue - from the 5th day (100% cases)
  - trembling on the little finger - from the 3rd day (90% cases)
  - member loss - from the 10th day (100% cases)
- Viral infection
  - chest pain - from the 2nd day (100% cases)
  - member loss - from the 5th day (100% cases)
- Viral + Bacterial Infection
  - member loss - 1st day (20% cases)

Name	Diagnostic	Symptoms				History
Taveerth Sulth	bite deficit and viral infection	yellow tongue	member loss (both legs)			bacterial infection
Pannor Tasset	bite deficit and bacterial infection	yellow tongue	member loss (left arm)	paralysis		
Daushan Lolth	viral and bacterial infection	yellow tongue	paralysis	chest pain	member loss	
Dortholt Lur	bite deficit and bacterial infection	yellow tongue	chest pain	trembling on the little finger		
Od Dithrack	viral and bacterial infection	yellow tongue	member loss			
Gratharsh Arreschazz	bite deficit and viral infection	chest pain	trembling on the little finger
